**NOTICE OF WITHDRAWAL OF BYHALIA PIPELINE LLC'S  
MOTION TO INTERVENE**

Byhalia Pipeline LLC ("Byhalia") files this Notice to inform the Court that it is withdrawing its previously filed Motion to Intervene and the memoranda supporting that motion.

On April 16, 2021, Byhalia filed the Motion to Intervene and a supporting memorandum in the above-captioned case. ECF Nos. 7, 7-2. Federal Defendants took no position on the motion. Plaintiffs Memphis Community Against Pollution, Inc., Protect Our Aquifer, and Sierra Club (collectively, "Plaintiffs") took no position on Byhalia's motion to intervene, but opposed the portion of the motion that sought leave to defer the filing of a responsive pleading. *See* ECF Nos. 16. Byhalia's Motion to Intervene remains pending.

Since filing the Motion to Intervene, Byhalia has determined that it will no longer pursue the pipeline construction project for which the U.S. Army Corps of Engineers ("USACE") issued

the 2017 Nationwide Permit 12 verifications, the permits that authorized certain activities in conjunction with the pipeline's construction, challenged by Plaintiffs in this case. Therefore, on July 8, 2021, Byhalia requested that USACE's Memphis and Vicksburg Districts revoke their respective Nationwide Permit 12 verifications. *See* Exs. A & B. On July 28, 2021, USACE acknowledged Byhalia's request and informed the company that "the verifications issued under Nationwide Permit 12 (MVM-2019-206 and MVK-2019-473) are no longer valid." Ex. C.

Because Byhalia no longer holds the USACE permits subject to challenge by Plaintiffs in this action, and because Byhalia has cancelled the project that would have used these Nationwide Permit 12 verifications, there is no longer any need for Byhalia to intervene to protect Byhalia's interest in the challenged permits. Therefore, Byhalia respectfully withdraws the pending Motion to Intervene and supporting memoranda, ECF Nos. 7, 7-2, 19-1.

Dated: August 11, 2021
